

INDUSTRIAL CLIPS FOR HEAVY DUTY TAGS

Spring Steel • Galvanized • Ultra Durable

• Replacing all Wire & Thread Applications • Custom Jobs

8010

single loop tag attachment for all purposes

a: 55 mm=2.2" b: 25 mm=1"

8051

for tubes and bars with small diameter

a: 114,5 mm=4.5" b: 12,5 mm=0.5"

8323

secure tag attachment for smaller applications

a: 38 mm=1.5" b: 12 mm=0.5"

8050

for tubes and bars with large diameter

a: 165 mm=6.5" b: 25 mm=1"

8230

sharp point pushes into fabrics, secure attachment

a: 25,4 mm=1" b: 18 mm=0.7"

8263

for profiles and tubes or as locking pin

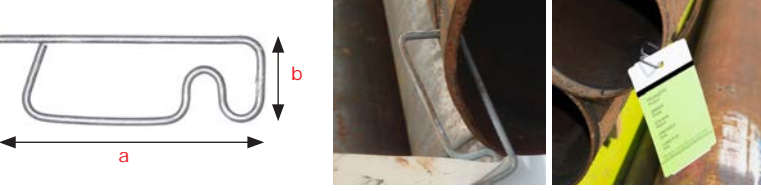

a: 56 mm=2.2" b: 19 mm=0.75"

8040

securely attach tags to tubes, pipes, profiles, plates

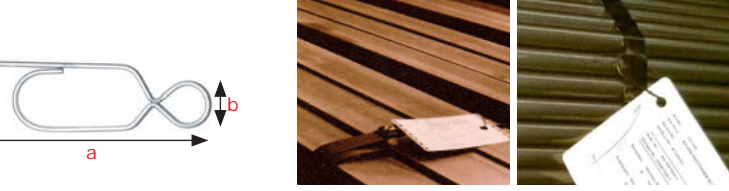

a: 60 mm=2.4" b: 20 mm=0.8"

8071

double loop secures tags to bundle strapping

a: 71 mm=2.8" b: 20 mm=0.8"

8042

securely attach tags to tubes, pipes, profiles, plates XL

a: 62 mm=2.45" b: 46 mm=1.8"

8080

double looped clip secures tags during harsh transport

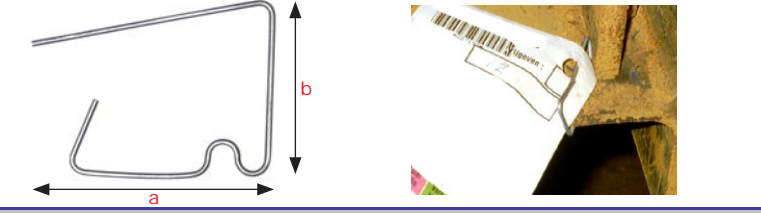

a: 60 mm=2.33" b: 25 mm=1"

8043

securely attach tags to tubes, pipes, profiles, plates XXL

a: 100 mm=3.95" b: 71 mm=2.8"

Stud Welding Gun

advanced solution for ultimate durability and high temperature applications
